EXECUTIVE SUMMARY

Computer Science Engineering student with Diploma and Bachelor's backgrounds in Computer Science. Skilled in Java, Python, SQL, and web technologies. Built projects in AI, web development, and database-driven systems, with a strong interest in backend development and problem solving. Looking for an opportunity to apply my technical skills, gain practical experience, and grow as a software developer.

INTERNSHIPS

2022 – 2023	Telecom Intern at BSNL (Bharat Sanchar Nigam Limited), Tiruchirappalli Observed telecom network operations, communication infrastructure, and field-level maintenance activities. Learned the basics of network devices, connectivity management, signal transmission, and troubleshooting procedures used in real-time telecom environments.
-------------	---

EDUCATION

2024 – Present	Bachelor of Engineering in Computer Science and Engineering	
Tiruchirappalli, India	Trichy Engineering College	
2021 – 2024	Diploma in Computer Science and Engineering	
Perambalur, India	Government Polytechnic College	86%

PROJECTS

AI Project	NeuroLaw - Python, AI, Web Development Built an AI-powered legal platform that explains legal content in simple language. Added legal text analysis, AI-based assistance, and scenario-based reasoning features to make legal information easier to understand through technology.
Java Project	Student Management System - Java, MySQL Developed a Java-based application to manage student records and academic details. Used MySQL for storing, updating, searching, and retrieving student information with CRUD operations.
Python Project	Secure Steganography Web Application - Python, Flask, Cryptography Developed a web application to securely hide and retrieve encrypted text inside image files. Implemented encryption, file processing, and hidden-data detection features using Python and Flask.

TECHNICAL SKILLS

Programming Languages Java, Python, SQL	Web Technologies HTML, CSS, JavaScript, Flask
Database MySQL, SQLite	Tools and Platforms Git, GitHub, VS Code, Linux
Core Concepts OOP, DSA, DBMS, Problem Solving	Areas of Interest Software Development, Web Development, AI Applications

CERTIFICATIONS AND COURSES

Course	LaTeX Course – IIT Bombay
Course	Diploma in Computer Applications (DCA) – CSC

LANGUAGES

Tamil Native	English Professional
